

PMHA Winter Conference 2025

*** Call for Abstracts ***

The Paediatric Mental Health Association invites trainees in Paediatrics, Psychiatry, General Practice, and Emergency Medicine to submit abstracts for our annual Winter Conference.

The meeting, taking place at Ettington Park Hotel, near Stratford-upon-Avon, on the **30th – 31st January 2025**, attracts speakers and delegates from a wide range of specialties to discuss the latest research and updates in Child Mental Health.

This year's meeting will once again feature a trainee-led poster session, in which trainees can present their audits, research, or quality improvement projects. This is an excellent opportunity to showcase your work in the area of child mental health and to share best practice with interested professionals from around the country. Three abstracts will also be selected for oral presentation on Day Two of the meeting (31st January).

To submit an abstract, please click [here](#) to download the **template**, and then email your completed abstract to **PMHAtrainees@gmail.com** by **November 30th** at the latest.

Your abstract will be reviewed by members of the PMHA Executive Committee, and you will be notified of acceptance by the 15th of December.

We look forward to receiving your abstracts and to welcoming you to our meeting in January!
